

Procedura:

1. Convener(s) will start to contact to authors, and abstract submission will first be requested. Full texts (not obligation, only optional) will then be requested after acceptance of the abstract and registration of the Author. The two collections (Abstract Collection and Full text Collection) will be published and fulltext collection will be included in ISI Web of Science, SCOPUS, etc.
2. Author(s) firstly will create an account to log in to the WMCAUS 2017 on-line system via link given below. <<http://wmcaus.org/module.html> <http://wmcaus.org/module.html>
3. Author(s) will then submit the text of their contribution using the "Abstract Submission" in the system. In abstract submission tab; firstly "Specific session [Specify title in next field]" will be selected from "Select the topic of Symposium:" menu, and Title and Code of the specific session will be written in the field titled "Title of Specific Session and Code [Optional]:".

**BARDZO WAŻNE!** Rejestrując się należy wybrać kod i nazwę sesji „Technology, organization and management in construction projects”. Nie należy wybierać wśród standardowych sesji tylko na końcu wśród specyficznych sesji wskazać „**Specific session no.6 (SS6)** Session Code and Title: WMCAUS-SS6: **Technology, organization and management in construction projects.** Convener: Assoc.Prof.Dr. Elżbieta Radziszewska-Zielina”.

Kopię zgłoszonych referatów prosimy wysłać również do prowadzącej sesję na adres <[eradysz@izwbit.pk.edu.pl](mailto:eradysz@izwbit.pk.edu.pl)>.

Zapraszamy!
